

Logging into the Web Portal

This guide shows Nurses how to log in to the Web Portal via a browser on a laptop or desktop computer.

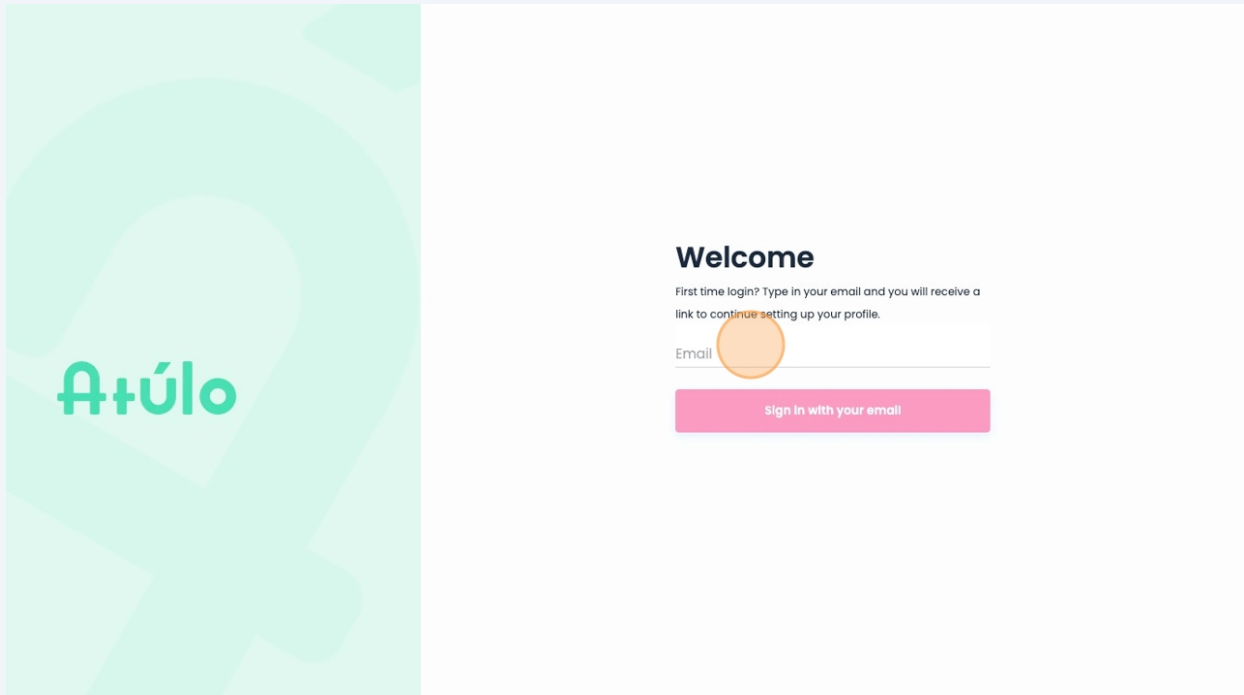

Please note that logging into the Web Portal on a mobile device is not supported.

If using a Mobile Device, please use the Mobile Application Guide.

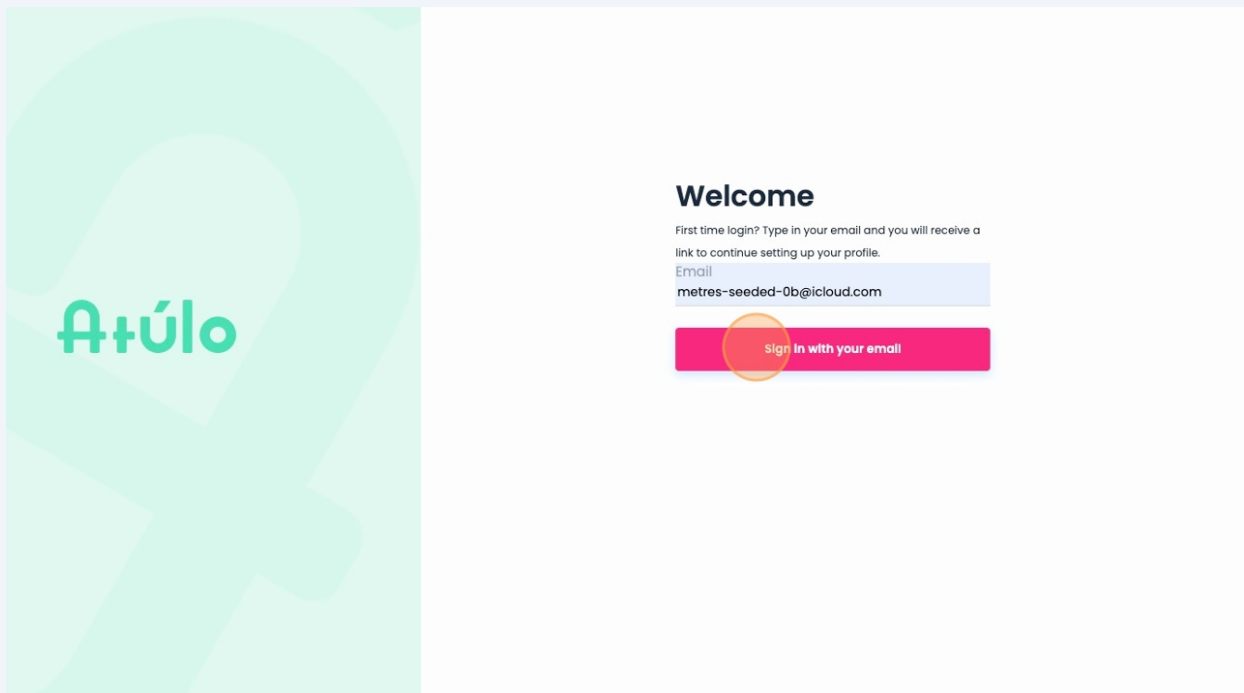

- 1 Navigate to <https://portal.atulocare.com/auth/signIn>

- 2 Click the "Email" field and enter your email on file.

- 3 Click "Sign in with your email".

4

The platform will send a message to the email on file. Open up your default email application and click the link in the email within 60 seconds.
